NATIONAL WAR COLLEGE CLASS OF 2017

On behalf of LTG Mike Maples, US Army (Ret), President of the NWC Alumni Association, I would like to extend you a warm welcome to you and your families to America's War College. We will be celebrating the 70th Anniversary of the beginning of this College – with the Class of 1946 – 1947.

As a student, you will receive full privileges and rights of all the alumni of the College. That includes attending various seminars on hot topics, featuring NWC faculty and experts from inside and outside the beltway.

We also support your Classes activities; such as student receptions, sports equipment, entry fees for sport competition, Spouses Club, various writing awards and a host of other activities during the school year.

We are the source of the NWC mementos that you may purchase for yourself or for family members and friends. As a member of the Alumni Association you will receive a 7.5% discount most purchases made. One of the first purchases (after your red polo) you may like to buy is the History of the National War College.

When you become a life member you will receive a 15% discount and you children can apply for a merit scholarship and you will be given access to the databases that you use while a student. And more.

We invite you to visit our website and to get to know us better. You can order items from us on line, see what is happening with alumni and to order books written by alumni and faculty. www.nationalwarcollege.org.

We have forged a partnership with the Pentagon Federal Credit Union and they offer NWC credit cards. Please consider them when you need a credit card or loan. You will be helping your Alumni Association and receiving the most competitive rates in the industry. For additional information, please visit www.PenFed.org/NWCAumni

Come by and visit the Rough Rider Store and us. We are located on the ground floor in Room G20, just across from the Enigma Machine.

Last item: we have a relationship with Katz's Deli on the Lower East Side of Manhattan and if you will send me a mailing address we will have Katz's send a Salami to those serving our Nation overseas (military, civilian and contractor.)

The National War College Alumni Association is an independent 501(c)(3) charitable, educational organization and is a nonfederal entity. It is not part of the Department of Defense or any of its components and it has no governmental status.

We look forward to serving you.

Sincerely
